Maryana Cardoso da Silva

Biomedicine · Health Sciences

maryzocardoso07@gmail.com +55 61 98546-0528 Brasília, DF – Brazil

PROFESSIONAL SUMMARY

Motivated and detail-oriented candidate with a strong aptitude for the biomedical field, combining rigorous academic preparation with hands-on administrative experience and an elite athletic background. Spent 6 months in the United States on an English immersion program, achieving advanced proficiency and developing international communication skills. Ten years as a competitive rhythmic gymnast built an exceptional foundation of **discipline, focus, and resilience** — qualities directly transferable to high-demand scientific and professional environments. Committed to precision, ethical conduct, and continuous growth in biomedical sciences.

CAREER OBJECTIVE

To launch a career in Biomedicine by gaining scientific and laboratory experience that will build a strong foundation for advanced specialization. Particularly interested in biomedical research, diagnostic analysis, and the application of science to forensic investigation. Aspires to contribute to the field of forensic science, where technical rigor, ethical responsibility, and analytical thinking converge in service of justice and public health.

EDUCATION

High School Diploma — Natural Sciences Track

2023 – 2025

SESI-SENAI – Taguatinga, DF, Brazil

- **Science Fair participation:** designed and presented interdisciplinary scientific projects, strengthening research methodology and critical thinking skills.
- **Literary & Academic Showcases:** academic presentations focused on written production, structured argumentation, and public communication.
- Curriculum with emphasis on Biology, Chemistry, and Physics — establishing the scientific foundation essential for biomedical studies.

PROFESSIONAL EXPERIENCE

Administrative Assistant

2025

Start Sports · Sports Program — SESI Taguatinga, DF, Brazil

- Managed and organized contracts and official documents using **Microsoft Word** and **Microsoft Excel**, ensuring accuracy and compliance of administrative records.
- Served as the primary point of contact for parents and guardians, delivering clear, professional, and empathetic communication.
- Tracked and monitored payment schedules, maintaining financial consistency for program activities.
- Coordinated administrative operations for sports activities, including scheduling, record-keeping, and logistical planning.
- Provided organizational and logistical support during sporting competitions and events in **Judo**, **Brazilian Jiu-Jitsu**, and **Gymnastics**.
- Assisted in the planning and execution of internal institutional events, contributing to smooth operational flow.

ATHLETIC EXPERIENCE

Competitive Rhythmic Gymnast — Elite Level

10 years (5 years competitive)

Escola Brasiliense de Ginástica Rítmica (EBGR) — Brasília, DF, Brazil

- Trained at **elite competitive level** for 5 years, representing the institution in regional and national tournaments across Brazil.
- Training facilities: **Catholic University of Brasília** and **SESI Taguatinga**.
- Training regimen: 4 hours per session, 3 days per week — developing exceptional time management, physical endurance, and performance under pressure.
- Elite athletic career cultivated transferable professional competencies: **discipline**, **resilience**, **teamwork**, **emotional regulation**, **goal orientation**, and **long-term commitment**.
