PROFESSIONAL SUMMARY

Objective

To work in residential cleaning and organization, household support, and family-focused services in the United States, delivering reliable scheduling, trustworthy service, and consistent quality in safe, welcoming home environments.

Summary

Professional with more than ten years living and working in the United States, with everyday use of English and Spanish in professional and personal settings, plus strong experience in recurring residential cleaning, private household work, and long-term relationships with employers and clients. Background in weekly housekeeping, comprehensive domestic support (including time in Brazil and transition to the U.S. with the same family), plus experience as a nanny, driver, and domestic worker. I am known for responsibility, attention to detail, punctuality, and a continuous drive to improve the quality of my work.

Behavioral profile
